Are we living in the end times? Orthodox Christianity reveals how the spirit of Antichrist is already at work—through false unity, spiritual deception, and technological control.

In this powerful video, we explore the denial of Christ's theanthropic nature, the ecclesiological heresy of ecumenism, and the deceptive philosophy of perennialism. We examine the spiritual dangers of transhumanism, singularity, and technological "salvation" apart from God. Learn how the Orthodox Church discerns the spirit of Antichrist and why now is the time to resist the control grid forming around humanity.

You could not have expressed that better. Coming from one who was exposed to that before Orthodoxy. Can't thank the saints for correcting what is almost an insurmountable error. Lord Jesus's Christ, have mercy...
